BULLETIN #14.1 June 7, 2002

Due to a need to clarify some information in the Bulletin #14 cover letter of May 1, 2002, paragraph #2 of that letter is now revised as follows:

Obviously, to assure that we can electronically notify you of changes, we need to have your email address. Please spend a few minutes reviewing our website. **Select ‘Contact OMSIUA’ on the left side of the home page. The ‘Contact Information’ page where you can enter your email address will be displayed.** Of course you can mail, Fax (614-839-2882) or phone us at ext. 139 with your email address. **By providing your email address, you will automatically receive new bulletins, newsletters, etc. electronically as they are issued.** Certainly, with the rising cost of postage, the delivery time for mail, and, right now, the concerns associated with mail itself, email capabilities can help **us all**.

The remainder of Bulletin #14 remains unchanged. We trust this clarification will be helpful.

SINCERELY,
OHIO MINE SUBSIDENCE STAFF

06/07/02

* Effective 9/02/2002 the Suite number changed from Suite 340 to Suite 250. The remainder of the address is the same. . See Bulletins #15 and #15.1.
