BULLETIN #15.1

To: All Members of the Ohio Mine Subsidence Insurance Underwriting Association

From: Ohio Mine Subsidence Insurance Underwriting Association

Re: Corrected form OMSIUA-STAT.3 (11/02)

We recently mailed Bulletin #15 to you with enclosures of OMSIUA-STAT.2 (10/02) and OMSIUA-STAT.3 (10/02). Recipients of this bulletin have brought to our attention that OMSIUA-STAT.3 provided no opportunity for the withholding of commission for the premium collected for Mine Subsidence Coverage in an Optional County. Member Companies are entitled to a 30% commission for premium collected for the Mine Subsidence Coverage in the Optional Counties.

Attached is a corrected Members Quarterly Report of Premium for the Optional Counties (OMSIUA-STAT.3) with an edition date of 11/02. We apologize for this error and any inconvenience caused for you and your company.
